2009 Cuvèe Elisabeth Tradition;

Colour: Radiant, bright golden yellow

Nose: The first impression is of a clear, calm, wide-ranging aroma. A rainbow could not be more beautiful. Broom, pimpernels, dried rose petals, medlar compote, pineapple, nectarine peel, and so much more.

Palate: The flavour is exceptionally dry this year. A touch more acidity would be perfect in the end. A splendid wine, wonderfully rounded, mouth-filling, very well matured and perfectly balanced. On the palate, it presents itself with perfect balance until the long-lasting finish. (© p@ulabosch)
