2017 Cuvèe Elisabeth Tradition;

Colour: bright lemon yellow, sparkling clean

Nose: Pronounced aroma, broad and expansive with fruity and vegetal notes. Pineapple and coconut flakes gain the upper hand with a little air. This is joined by spicy notes of Mediterranean flavours with a touch of oak.

Palate: The character, power, fullness and harmony of a cuvée can be felt directly in the mouth. The complex yet delicate texture allows a touch of the extremely fresh Riesling acidity to come through and the nutty flavours of the Pinot Blanc dance in the background. Still a little young and edgy on the finish. With very good development potential, it demands further maturation. (© p@ulabosch)
